

Ivan Koptiev

Data Science Student | Machine Learning & AI

Cranston, Rhode Island, USA

koptew.ivan@gmail.com | +1 (401) 529-9164 | Portfolio | GitHub | LinkedIn

Education

University of Rhode Island

B.S. Data Science, Honors College, Expected May 2029
35/120 degree credits earned already via AP/EE coursework
Presidential Scholarship Recipient
Helen Izzi Schilling STEM Scholar

Kingston, RI
2026 – Present

Cranston High School West

GPA: 3.975/4.0
Class Rank: Top 5% (20/404)
Relevant AP Coursework:

- AP Calculus AB (Score-5), AP Calculus BC
- AP Statistics (Score-4), AP Computer Science A(Score-4), AP Physics 1

Cranston, RI
2022 – 2026

Experience

Machine Learning Intern – SERP

Aug 2025 – Feb 2026

- Built a real-time computer vision system for boxing analytics using YOLO and Bot-SORT.
- Designed a pipeline for punch detection and match statistics extraction.
- Contributed to dataset collection, labeling, and model training optimization.
- Developed AI automation workflows (n8n) for social media and voice-based AI systems.

Projects

Transformer-Based Sentiment Analysis with BERT

2024 – 2025

- Fine-tuned BERT for sentiment classification, achieving 81% accuracy on 5,000 validation examples.
- Improved training efficiency with early stopping, and evaluated precision, recall, and F1-score.
- Made an inference pipeline for real-world text classification and visualized sentiment prediction outputs.

Fashion GAN Generator

2024 – 2025

- Built a GAN model from scratch to generate synthetic fashion images.
- Trained on the Fashion-MNIST dataset without prebuilt GAN architectures.
- Achieved ~80–85% visual match to the dataset in generated outputs.

Full projects: Portfolio | GitHub

Awards & Achievements

- QuestBridge National College Match Finalist 2025–2026
- AP Scholar / Honor Recognition (College Board) 2024–2026

Skills

Programming: Python, R, Java

Machine Learning: PyTorch, TensorFlow, scikit-learn

Data Analysis: pandas, NumPy, matplotlib, ggplot2

Languages: English (fluent), Ukrainian (native), Russian (native), French (A2–B1), Italian (A2–B1)
